NOTICE OF INTENT TO TERMINATE  
ESTABLISHMENT REGISTRATION 071026-MI-001

Dear Ms. Dacosta:

The U.S. Environmental Protection Agency is hereby informing you of the EPA's intention to terminate the establishment registration (EPA Est. Reg. No.), of ASI Packaging Company, located at 3019 Airpark Drive N, Flint, Michigan 48507, pursuant to Section 7(c) of the Federal Insecticide, Fungicide, and Rodenticide Act, as amended (FIFRA or the Act), 7 U.S.C. § 136e(c), and 40 C.F.R. § 167.20(f).

A pesticide producer operating an actively registered establishment must submit an annual Pesticides Report for Pesticide-Producing Establishments (EPA Form 3540-16) (hereafter referred to as the "Report") to the EPA Regional Office which serves the area where the establishment's corporate headquarters (or parent office) is located on or before March 1 of each year. You are a "person" who operates an establishment(s) for purposes of "producing" pesticides and/or devices as those terms are defined by FIFRA and its implementing regulations.

Failure by ASI Packaging Company, a pesticide producer operating ASI Packaging Company, 071026-MI-001, to file the required annual Reports on pesticide and/or device production for the calendar year 2011, has already subjected the establishment to possible civil penalties under the Act.

You are hereby instructed by this Notice of Intent to Terminate an Establishment Registration to submit the delinquent Reports on pesticide production by your registered establishment to:

Pesticide Report Contact (LC-8J)  
U.S. EPA - Region 5  
77 West Jackson Boulevard  
Chicago, Illinois 60604-3590

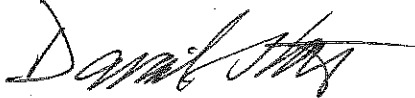

The Report must be submitted to EPA regardless of whether or not pesticides were produced at your registered establishment during any calendar year. You can obtain a copy of the reporting instructions as well as the Report (EPA Form 3540-16) at the following web site:  
<http://www.epa.gov/compliance/monitoring/programs/fifra/establishments.html>.

This Notice is our final solicitation for the delinquent Reports. Failure on your part to submit this required Report, within thirty (30) days of your receipt of this Notice will result in the termination of the establishment registration for ASI Packaging Company, effective upon the date of the EPA's issuance of a Notice of Termination of Establishment Registration. The cancellation of an establishment registration number terminates a person's opportunity to produce pesticides and/or devices in the establishment that is operated by that person.

You should take all necessary measures to preclude any pesticide production at the establishment not in compliance with FIFRA.

All correspondence and any questions you may have regarding this Notice of Intent to Terminate Establishment Registration should be directed in writing to the address above. You may telephone a member of the Section 7 group of the Pesticides and Toxics Compliance Section at (312) 886-0270, if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "David Star", with a stylized flourish at the end.
